1. Purpose

- 1.1 WM College is committed to supporting learners facing financial difficulty in their journey to achieve their learning aim in an Adult Education funded course. WM College is funded by the Greater London Authority (GLA) and the Education and Skills Funding Agency (ESFA) and has chosen to allocate some funding to a College Learner Financial Support Fund (“LFSF” or “the fund”). The funding for the year 2022/23 will primarily be used to support learners with paying their course fees.

We aim to ensure that learners, prospective learners and those supporting learners are aware of:

- The courses that qualify for funding
- The level of financial support available
- Who is eligible for funding and the evidence required to claim funding
- How to apply

2. Scope

- 2.1 The fund is open to all learners and prospective learners wishing to study a funded Adult Education course at WM College. Eligibility to receive an award from the fund is means tested.
- 2.2 Separate bursary and financial support funds are available for learners aged 19 or under or those in receipt of Advanced Learner Loans. Please refer to the relevant policy and guidelines for these funds or speak to a member of the Learner Services Team

3. Responsibility

- 3.1 The Director of Learner Experience is responsible for reviewing the guidance, implementing the policy and for monitoring the funds. She/he is also responsible for ensuring that the fund is fully explained in WM College literature.

4. Monitoring and Review

- 4.1 The policy, guidance and operational procedures will be reviewed each year and updated as necessary and in accordance with any funding body guidance.
- 4.2 The fund will be reviewed throughout the year to ensure that the allocation is appropriately and optimally utilised. This may mean that the eligibility rules vary during the year at the discretion of WM College’s Senior Leadership Team (SLT) or in accordance with any GLA/ESFA guidelines. Any changes will be communicated to eligible learners.
- 4.3 SLT will be updated regularly by the Director of Learner Experience with monitoring information about the expenditure and forecast.
